

EXPLANATION OF BENEFITS IF IT'S NOT A BILL, THEN WHAT IS IT?

AN EXPLANATION OF BENEFITS (EOB) IS A RECAP OF WHAT YOUR INSURANCE HAS PAID.

How much your provider charged for each service

How much your health insurance company paid for each service

How much you saved by staying in-network

How much you are responsible for paying out-of-pocket

Remember, your EOB is not a bill. If your EOB shows that you are responsible for some of the cost, your provider will bill you separately. When you receive your EOB it is important to review your statement to make sure that you are getting the most value out of your health care spending.

HERE ARE THREE TIPS THAT COULD HELP REDUCE THE AMOUNT YOU PAY OUT-OF-POCKET:

TIP

Select an in-network provider.

Use the Find a Doctor or Hospital tool on Wellmark.com to find an in-network provider, so you can get the best savings from your health plan.

Compare charges.

If you receive a bill from your provider, compare charges on your EOB to charges listed on the provider bill to confirm that services and charges listed are correct.

TIP (3) Register for myWellmark.
